Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

MAY 11 10:00

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: The individually compounded hormones that
I have been receiving from my specialized pharmacy
has made a big difference in my health and fight
against bone loss. I order out of state and don't
want my rights restricted by legislation. Please
leave these options open to me.
